

The Heritage Centre has a shared occupancy in the former Court Room of Milngavie Town Hall where it presents a number of Exhibitions each year, the dates of which are given in our website.

We are grateful for the support we receive from East Dunbartonshire Council, EDLC, Grant Organisations, the Community and our growing Membership

To run and man exhibitions takes much time, effort and organisation. We need a lot of volunteers, i.e. "Members", young and old, who share a common interest in our town which has grown from "the Mill of David" in the 15th century to today's Milngavie with a population of around 13,000.

Why not become a Member of MHC by giving your time and/or by donating or taking a yearly subscription?

Please look at our website for more information.

Discover Milngavie

In 1793 Milngavie's population was estimated at 200, most of whom were employed in bleaching, printing, cotton spinning, papermaking, dyeing the pencilling of cloth and the distilling of whisky at Tambowie Distillery which was destroyed by fire in 1920

The Glasgow and Milngavie Junction Railway opened in August 1863 and was operated by the North British Railway. By 2009 it had just under a million passengers annually and now provides services to Edinburgh alongside normal Glasgow services. The station is a "B Listed" building.
